**Ralph Singer Jewelry**  
Handcrafted jewelry since 1921

## ***A BRIEF COMPANY HISTORY***

For over 80 years, the Ralph Singer Company has been known for its uniquely styled handmade jewelry pieces.

It all started in 1921 when Oreste Agnini and Ralph Singer founded Agnini & Singer, the first Jewelry Company in Chicago.

They were both émigrés of Italy. Mr. Agnini specialized in jewelry design and Mr. Singer was an expert and pioneer in the manufacture of jewelry. It was a great match!

At inception, A&S manufactured hair combs and shoe buckles. Soon they branched out to make all types of Fashion Jewelry and later added Fraternal Jewelry designs.

In 1984, the company was purchased by the Stanford Smith family of Kenilworth, Illinois. Today, with over 80 years of **continuous production** experience, the Ralph Singer Company continues to specialize in Fashion and Fraternal Jewelry. We are the second family to own the Ralph Singer Co. and we pride ourselves on **high quality merchandise and outstanding customer service**.

We continue to cast our jewelry from the original molds dating back to 1921 and use only the finest materials. We take pride in our craft and in our unique jewelry designs. Each piece of jewelry made to order and hand-set in our factory. We can proudly say that it is made completely in the USA.

As manufacturers, we offer our jewelry at **wholesale prices** and are able to **customize jewelry** for Shrine Centers. **We welcome any size order**. We have thousands of designs, so please do not hesitate to call us with any questions or inquiries.

We look forward to hearing from you!
